We seek to be a beacon of hope, a sign of the healing and reconciling presence of Christ to all by being a center of religious education, spiritual development, and social activity that celebrates the ethnic and cultural values of our members and by participating in the communities in which we live and work to address the social needs of our times."

Before the arrival of GPS and other technological advances, folks relied on a compass to assist them with directions. If set and used properly, people who would otherwise be lost could find their way. What properly sets our God compass? We know that we require God in order to find our way through life, but we need to be in proper relationship with God before this can effectively happen. God certainly does not need to be placated, but some things open Him up to us more than others. Isaiah gives us a clue today. Share your bread with the hungry ... clothe the naked ... remove oppression, false accusation, and malicious speech ... satisfy the afflicted. When we do this, we will not only be on proper course and in right relationship with God, but will be the salt and light Jesus asks us to be.

LANTERI

Ignatian Spirituality Lenten program:

During LENT we look at those places within us which prevent us from loving and living freely. Through an exploration of the "spirituality of imperfection" we will look at the paradoxes of being human in relationship to a loving God and how we can receive the invitation to live and love freely even in the face of our sin and imperfection. Registration and Flyers can be downloaded at <http://ignatianspiritualitydenver.org/retreats/calendar/>
