"We are a predominantly African-American multi-ethnic community of Catholic Christians. We seek to be a beacon of hope, a sign of the healing and reconciling presence of Christ to all by being a center of religious education, spiritual development, and social activity that celebrates the ethnic and cultural values of our members and by participating in the communities in which we live and work to address the social needs of our times."

The Week Ahead MASS INTENTIONS

Public Masses have resumed under the Covid-19 Guidelines by the Archdiocese of Denver.
Sunday, May 31st 11:00 am The Parishioners

With **Pentecost**, the disciples significantly changed. They were charged up and ready to go. They received the Holy Spirit and no longer harbored fear and apprehension. They knew who they were and what needed to be done. With the peace of the Lord and the power of the Spirit within them, they set out to do amazing things with simple means. We have received the Holy Spirit as well. What keeps us from truly understanding the mission of Christ and continuing the advancement of the Gospel? Some may think this was a work of the past and not relevant now. Others may believe that the work set before me is simply about doing what I need to do to merit heaven and has little to do with my brothers and sisters. Take a good look at the world. More are in need of hearing the Good News than there ever were. We have the power to get up and out and start doing life changing things!

**Dear Curé d'Ars Community,
Regarding Public Mass**

In accordance with the guidelines provided by the Archdiocese of Denver, public mass is open to 10 people only. The key to any public mass is the issue of social distancing. Basically, this means that anyone who is involved with the public mass must be at a minimum of six feet apart.

After discussion of the guidelines provided by the Archdiocese of Denver, has led Fr. Joseph and Deacon Clarence to the following decision: there will be one mass offered during this time where only 10 people may attend. We will continue to livestream mass at 11:00 a.m. until either the number of people able to attend exceeds 10 or another option is developed. One of the guidelines is that people who are **65 and older and those with severe underlying medical conditions** should stay home.

Anyone wishing to attend the public mass must call the office at 303-322-1119 and have your name put on a list. The first ten will be able to attend and will be notified of such.

We ask for your help in communicating this vital information to all within our community. This will be a great opportunity to also check up on our members to determine if they are okay (not sick, in need of food, need financial assistance, etc.).

Please encourage those who have not provided their contact information to the parish office to please do so by calling 303-322-1119 extension 0. We continue to work to ensure that our community is as accessible as possible to all. Finally, but most important, **wear a mask!** For the safety of all.

—God Bless, Fr. Joseph Cao and Deacon Clarence
