"We are a predominantly African-American multi-ethnic community of Catholic Christians. We seek to be a beacon of hope, a sign of the healing and reconciling presence of Christ to all by being a center of religious education, spiritual development, and social activity that celebrates the ethnic and cultural values of our members and by participating in the communities in which we live and work to address the social needs of our times."

The Week Ahead MASS INTENTIONS

- The Fritz Family

Tuesday, October 13, 9:00 am

- repose of the soul of Barbara Christian

Come to the feast! God calls us to participate in the banquet of life, a banquet that can fill and satisfy us like no other. It is a spiritual feast where we kind find inner refreshment and satisfy the thirst and hunger of our souls. ** Do you want to

come? Every human being receives an invitation; no one is excluded. There is no charge and an abundant table is set. Some will blatantly refuse. They see no merit in attending and feel that they can fill their needs in other ways. Others will simply ignore the invitation. Maybe they are too consumed with other matters they feel are more important at the time.

Still others may even get angry and feel deep resentment for even being asked, resorting to acts of violence in protest of the very presence of the feast. ** In spite of this, many will also come. They will be the good and the bad, the lost and the lonely, and the ones who understand. They know love when they see it. When they go to the feast, they will rejoice and be glad as they will have found the God for whom they looked!

Please Pray for Our Members, Relatives, & Friends in this period of Social Distancing.

Prayerful times are those unexpected occurrences when we discover who we are in the eyes of God. It is to know ourselves as God knows us, to accept ourselves as God accepts us, to love others and ourselves as God loves us. -Fr. Bob Kelly, OP

Proposition 115 is on the November 2020 Ballot

in Colorado. If passed, it would prohibit doctors from performing abortions after 22 weeks gestation, except in cases to save the life of the mother. While abortion is always wrong, voting **Yes on Prop 115** would end the savage practice of late pregnancy abortions. The materials are available to help raise awareness and educate others with the facts about late-term abortion. <https://www.cocatholicconference.org/prop-115/>
