We seek to be a beacon of hope, a sign of the healing and reconciling presence of Christ to all by being a center of religious education, spiritual development, and social activity that celebrates the ethnic and cultural values of our members and by participating in the communities in which we live and work to address the social needs of our times."

In the time of Jesus, a Roman coin bore the image of Caesar and it was precisely this coin that was returned to the emperor in the form of tax. **What bears God's image?** Scripture tells us that human beings are made in the likeness and image of God. In truth, however, all of creation, even the entire universe, is fashioned in the image of God! Everything radiates Divine Presence and the spark and essence of God's very life exists in all things. God breathes the life of Himself into all things. If we have to give back to civil authorities what speaks to them, then what do we give back to God? While the answer is simple, the implications are profound. We are asked **to give back to God our very selves!** Ultimately, all creation is in the process of returning to God and is on a journey of finding its final truth and essence in Him. As we continue that journey, *all we have, all we are, all we see, and all we are responsible for* must be offered back to Him. God is the beginning and the end of all things. Do our lives reflect this Divine allegiance?

Proposition 115 is on the November 2020 Ballot in Colorado. If passed, it would prohibit doctors from performing abortions after 22 weeks gestation, except in cases to save the life of the mother. While abortion is always wrong, voting **Yes on Prop 115** would

end the savage practice of late pregnancy abortions. The materials are available to help raise awareness and educate others with the facts about late-term abortion. <https://www.cocatholicconference.org/prop-115/>
