**Alleluia!** Forgiveness has risen from the grave! What a wonderful joy fills us today as we ponder the inexhaustible mercy of God. When experienced, we are moved to do all in our power to avoid sin and embrace the loving presence of our risen God. God stands ever ready to receive us and wants nothing more than for us to come home.

How reluctant we are to believe this truth! We want proof, tangible evidence and absolute assurance that what we have been told is true. Jesus has risen from the dead and brings us peace. It is the gift of wholeness and holiness that is breathed upon us by God's life - **giving and healing mercy**. May the rays of love that flow from the heart of Christ pierce ours!

**Divine Floodgates are Wide-open** The Church, since the Jubilee Year 2000, has been celebrating this Feast of Mercy, now called Divine Mercy Sunday. Our dearly beloved Saint Pope John Paul II, in his last and final statement, expressed to the world the great importance and the urgency to understand and accept Our Lord's incredible gift of Divine Mercy. He said to all the people of the world:

*"As a gift to humanity, which sometimes seems bewildered and overwhelmed by the power of evil, selfishness, and fear, the Risen Lord offers His love that pardons, reconciles, and reopens hearts to love. It is love that converts hearts and gives peace. How much the world needs to understand and accept Divine Mercy! Lord, who reveal the Father's love by Your Death and Resurrection, we believe in You and confidently repeat to You... Jesus, I trust in You, have mercy upon us and upon the whole world. Amen."*

The Church celebrates Easter for a full 8 days which culminates on the Octave Day of Easter, on the following Sunday. I firmly believe that Saint Pope John Paul II decreed this special plenary indulgence because he firmly believed that the Divine Floodgates of Heaven are open on that day and he wanted everybody to take advantage of it.
